## October is Health Literacy Month!

### Health Literacy Month is Here!

**HEALTH LITERACY MONTH**

*Building Awareness Through Action*

How are you taking action to build awareness  
about health literacy?

Share the hashtag **#healthliteracymonth**

[healthliteracymonth.org](http://healthliteracymonth.org)

October is Health Literacy Month – a time when organizations can work together to integrate and expand the mission of health literacy – to build a world where all individuals have access to quality health outcomes. Visit [healthliteracymonth.org](http://healthliteracymonth.org) to learn more about how to shift from awareness to action today!
